

WHEN TROUBLE COMES...

INTRODUCTION

We used to sing a song in church, "When trouble comes and storms begin to rise, hold on and learn to stretch out... keep on fasting, keep on believing, hold on and learn to stretch out... oh when Satan is on your track, trying to turn you around, I don't worry, I don't fret, I just stretch out..." Another is Jesus Savior Pilot me, over life's contemptuous seas, unknown waves before me roll, hiding rock, and tempestuous shoal, chart and compass come from thee, Jesus Savior pilot me.

Memory Verse: Psalms 121:2 My help cometh from the LORD, which made heaven and earth.

BIBLE LESSON

When the storms of life do come, we have a savior who can deal with the winds and the waves. Call on him, whether you got yourself into a storm, or it's a test from Yahweh. Regardless, He is our Rock, and our Refuge! Even Yahweh's name is a strong tower. Be of good courage.

Turn to Yahweh when trouble comes. 2 Chronicles 20:1-30 (If this is all you get to in this lesson, it is enough!)

God will keep you! Psalms 121:1-8, Isaiah 43:1-7

APPLICATION

How do we remind ourselves to go to God when trouble comes?
