

THE GREAT TRIBULATION, PART 2

INTRODUCTION

Can you imagine one out of every three trees destroyed, along with all the grass? One out of three creatures of the sea, whales, dolphins, fish, and all other creatures will die. The sea itself will become blood! This is just the beginning of the trumpets that John heard and saw, as they ushered in the events of the Great Tribulation.

BIBLE LESSON

Now, the second part of the Great Tribulation begins. In the book of Revelation, the Bible speaks of seven seals, seven trumpets, and seven vials full of the wrath of Yahweh. Each object represents a period inside the Great Tribulation period. We explore this period beginning with the last seal, leading to the first trumpet.

The first four trumpets have horrible results. Revelation 8:7-13

Terrible are the locusts of the fifth trumpet. Revelation 9:1-12

An angelic army will slay one third of mankind. Revelation 9:13-21

The last trumpet sounded. Revelation 11:14-19

APPLICATION

Why didn't the people that were still alive repent? Make a list.

Do people use the same excuses? What can be some of your arguments to turn them to Jesus?
