## **THE GREAT TRIBULATION, PART 3**

### **INTRODUCTION**

Imagine the next world war. It may not be the United States versus China. It just might be Jesus versus the World Order. The world will unite against Yahshua; with disastrous results for all that oppose him.

### **BIBLE LESSON**

We now come to the end of the Great Tribulation period. Angels will deliver the wrath of God on the wicked. Jesus will take his rightful place on the throne by force. When all is done, the kingdoms of this earth will become the kingdoms of the Lord and of his Christ, and He shall reign forever!

Angels hold the seven last plagues. Revelation 15:1-4

The seven plagues poured out. Revelation 16:1-21

Jesus comes as Lord of all, defeating all opposition. Revelation 19:11-21

### **APPLICATION**

The only way out of this is to confess Jesus as your savior. How can we convince our loved ones to choose Jesus today?
